Kathy, I hope you had a great weekend. I know that there are issues still being resolved with Beau, but I am having our first mail delivery at 10:00am tomorrow to the store room with the black floor. Is it possible to have access to the 12th floor and loading dock? I took Chris' card, but have been unable to locate it over the weekend, so I hate to bother you to ask if you will connect us at your convenience. Thank you! Des

We may drop off some of the office supplies you requested on Wednesday. And I'll see when we can get the conference tables over the the site as well.
